Dear [first name, last name],

Thank you for going to colposcopy. Based on your colposcopy results, you do not need any more colposcopy appointments. You can go back to your doctor, nurse practitioner or nurse for cervical screening.

Your colposcopy results:

- None of the cell changes in your cervix needed to be treated
- You got treatment for cell changes in your cervix

Please get your next cervical screening test from your doctor, nurse practitioner or nurse in:

- 5 years
- 3 years
- 2 years

As a reminder, getting a cervical screening test when you need to can help you avoid getting cervical cancer.

We have also told your doctor, nurse practitioner or nurse about your colposcopy results and when you should get your next cervical screening test.

Please contact our office if you have any questions about your colposcopy results.
